

CHOSEN TO SPREAD THE LIGHT.
CHOSEN TO SUFFER THE STIGMATA.
CHOSEN TO HELP HEAL.
CHOSEN TO HELP CHANGE THE WORLD.

Born and raised in Montreal, Canada, Jarred is blessed with a very powerful mission and gift. He has been Chosen as a vessel and messenger to deliver messages and truths from Heaven and a vessel for its light. He is an ordinary and insightful man who is the proud father of five children, each with their own unique heavenly gift. **He is a natural born clairvoyant, medium, shaman, exorcist, haunted house specialist and energy worker.** He uses his unique gifts to help guide others in their path and spiritual quest by connecting with and receiving messages and visions from Angels in the spirit realm. Jarred also provides his clients with the rare opportunity to connect with loved ones who have passed in order to bring them peace, closure and a deeper understanding. He offers you the comfort of closing the gap of wonder and uncertainty with the ease of reassurance.

He serves clients of all ethnicities, backgrounds, religious faiths and sexual orientation. He works closely with the Arc Angels and Jesus. On a daily basis, he is one of the very few worldwide who suffers the pain and marks of the Stigmata. He is a kind and gentle soul and is known for his charitable work and helping those in need even when they cannot afford his services.

Working closely with nature and animals, he has a deep affinity for the native way of life. His gift allows him to be a **medium** who contacts the deceased, a **clairvoyant** who receives messages from heaven, a **shaman** (a medicine man) who helps those who are in pain with sickness or disease. He is one of the few **exorcists** in the world and has been hired by those around the globe to battle demons and help save those who have been possessed to give them their bodies and lives back. As a **haunted house specialist**, he clears homes of entities which harass and hurt people. He does so without the use of machines or fancy equipment but only with his bare hands. He not only finds entities, but is one of the rare few who eliminate them! He was chosen to bring light to the world and to fight the shadow.

His expertise is offered in both English and French although he is fluent in several languages. He serves not only a local and national clientele, but a growing global client base who have sought his unique abilities from afar - New York, Los Angeles, Vancouver, Miami, Mexico, Venezuela, England, France, India, Morocco, Israel, Italy and Greece to name a few.

Heaven uses Jarred's physical body as a conduit for light that he uses to combat demons and the shadow. He is a warrior and dedicated to serving you and improving your well-being.

Jarred is...**Heaven's Messenger**

What message awaits you?

Offering you the gift of light and clarity,

Jarred

Chosen to deliver messages from heaven and to spread truth.

EXORCIST – HAUNTED HOUSE SPECIALIST

Jarred is one of the very few worldwide chosen by Heaven to fight and defeat demons and negative entities. Using angelic energy, prayer, holy symbols and other resources he removes demons and entities from people. Heaven uses Jarred to fight and destroy the shadow that has invaded your life and caused you so much harm and damage. Jarred also clears homes or offices of entities such as ghosts, demons and spirits using energy and special techniques

- Have you ever felt like there was heaviness around you?
- Have you ever felt like you had no control over the things that were spiralling out of control?
- Has it happened where you felt as if you were being watched?
- Have you fallen into intense moods of depression for no reason?

If you answered yes to any of these questions you may have a demonic attachment. A demon can attach itself to you like a leech and drain your positive energy and feeds you negative and toxic energy.

- Are there locations in your home that you feel uncomfortable going into and that give you an uneasy feeling that you cannot explain?
- Have you ever woken up and not been able to move as if you were being held down?
- Do you have a cat that often hisses at the air for no apparent reason?
- Have you found mirrors or glass picture coverings cracked or inexplicably broken?

If you answered yes to any of these questions then your home may very well have entities and may be haunted.

- Do you or a family member do things that can't be explained, and very out of character?
- Have you or they ever spoken in a foreign language you don't recognize?
- Are you or they constantly exhausted for no apparent reason?
- Have several aspects of your life taken an unexpected and negative turn all at the same time?

If you answered yes to some of these questions there is likely a demon that has possessed the body.

NO. You are not crazy.

You can and will have your life back! You and your family can feel safe again.

MEDIUM - CLAIRVOYANT

MEDIUM

HAVE YOU LOOKED FOR CLOSURE SINCE THE LOSS (PHYSICAL DEATH) OF YOUR LOVED ONE?

ARE YOU LOOKING FOR REASSURANCE THAT YOUR LOVED ONE IS RESTING IN PEACE?

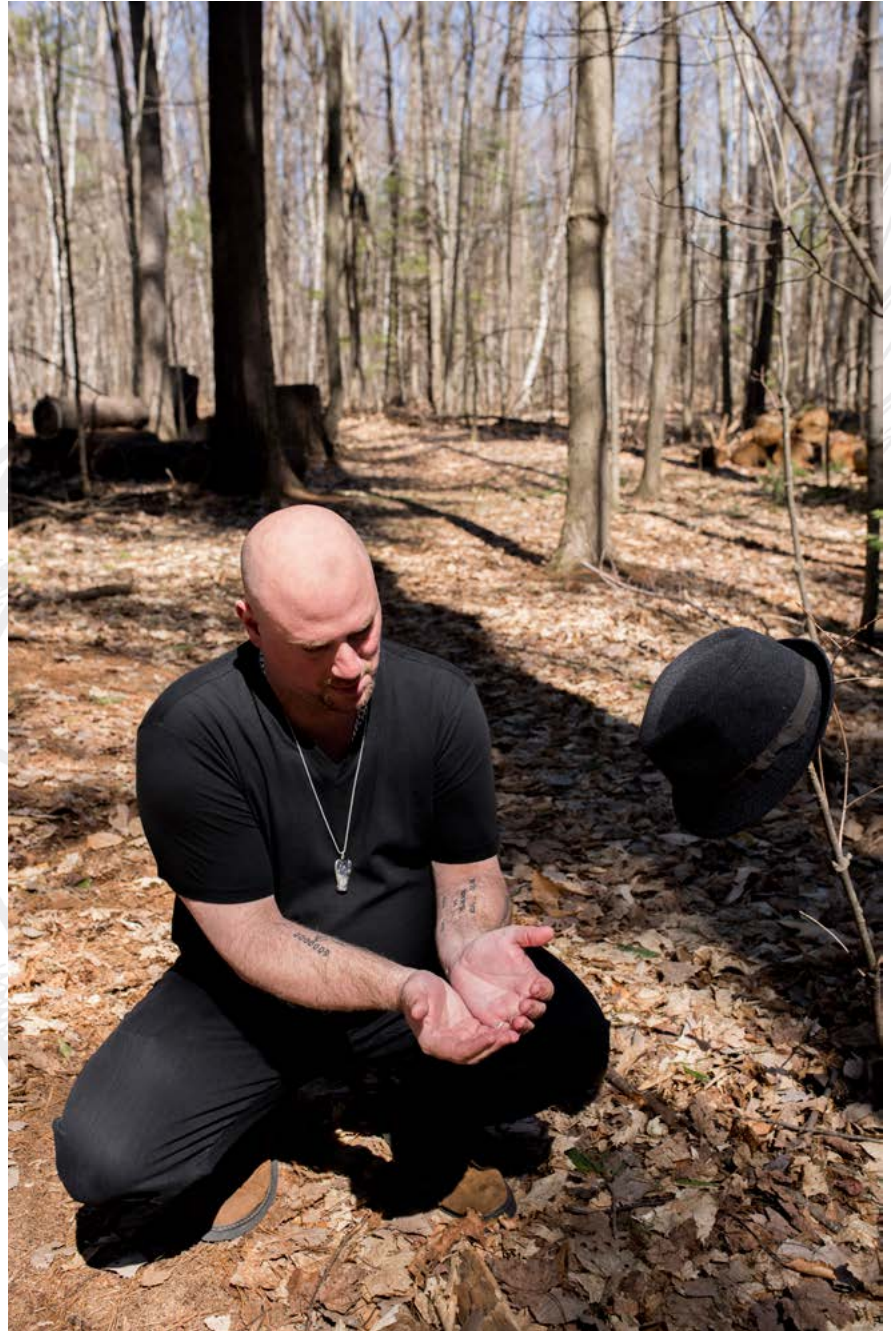

Jarred will contact your loved ones who have passed on during powerful contact of deceased sessions where people can find some peace and closure in knowing they heard directly from their loved ones.

CLAIRVOYANT

ARE YOU AT A CROSSROADS IN YOUR LIFE AND UNSURE WHICH DIRECTION TO HEAD OR FEEL "STUCK" OR IN A "RUT"?

ARE YOU HAVING A DIFFICULT TIME SEEING THE LIGHT AT THE END OF THE TUNNEL?

Jarred offers deep and profound clairvoyant sessions with messages delivered directly from the Arc Angels to help change lives and bring you the comfort of closing the gap of wonder and uncertainty with the ease of reassurance. He then helps guide you to the right decisions based on what he is told and shown by his Angel guides.

SHAMAN

Receiving energy from heaven enables Jarred to use his shamanic abilities to help those with disease and sickness and ease the pain of physical and mental suffering. Shamanic energy treatments are ideal for any type of sickness, disease, pain and emotional as well as psychological ailments. Amount of required sessions depends on the severity of the issue that needs treatment.

Clients often go see Jarred when traditional treatments, services and medicine has failed to help them. When people feel they have no options or hope, they often turn to non-traditional options such as a true shaman. When clients have spent years trying different traditional options and spent thousands and often tens of thousands with no or very little improvement in their conditions, they look for another option. Jarred offers them that option. Jarred offers that hope.

One of the additional shamanic services Jarred offers is the opening and balancing of the chakras, the main energy centers of the body. Chakras often get blocked due to the everyday real life situations and issues we deal with. Blockages can cause spiritual as well as physical limitations and problems. Jarred used a 4 step treatment to remove those blockages and to then balance the energies once they are fully opened. Massage, shamanic oils and hot stones are some of the steps in the treatment.
